Mission Statement

Sacred Heart Catholic School is committed to educating the heart, mind, and soul of its students and faculty. We will provide academic excellence with guidance from the Holy Spirit as we strive to create a Christ-filled environment. We will serve God in our community, our country, and our world.

The School, Administration and Staff

- **Philosophy**

Sacred Heart Catholic School is an educational community where parents, students, faculty, and clergy seek to grow in understanding, appreciating, and living the Gospel message. We believe our school environment promotes spiritual, academic, social, personal, and physical growth. We encourage respect for self and others as we seek to build a climate of justice and equality.

The family is first to instruct children in the truths of the Catholic faith. In the church community through prayer, liturgy, and service, children witness and experience the Catholic faith. The school builds on this foundation by fostering an understanding of the church's teachings, traditions, and Holy Scriptures.

Each individual brings to Sacred Heart Catholic School his/her own God-given gifts. Sacred Heart Catholic School recognizes this rich cultural diversity and works to develop the potential of each student as each fulfills God's purpose in life.

Staff members teach in a manner that manifests the Christian faith through Christian living. Staff members are professionally competent, student-centered persons deeply committed to building a Christian community within the school and preparing our students for Christian leadership in our world.

God is the reason for our school. With guidance from the Holy Spirit, we will strive daily to create a Christ-filled environment and to use our talents to know, love, and serve God and others.

- **Goals**

Sacred Heart School's primary goals are to promote:

- Student participation in the Wednesday Children's Mass, prayer and communion at the opening of each school day, classroom prayer at noon, and prayer based on need or request,
- Religious education classes for all students each day,
- Participation and worship during Holy Days and at particularly eventful times,
- Promoting student/teacher/support personnel behaviors which exhibit Biblical teachings and life principles, e.g. respect, responsibility, Fruits of the Spirit, citizenship, and others.
- A positive learning environment that builds a solid academic foundation, educational opportunities that are creative, developmentally correct, stimulating

and challenging to students, cross-age and peer tutoring, and an after-school daycare program,

- Educational and sports activities that provide opportunities for both sportsmanship and fellowship between public and parochial schools,
- High level of parental involvement and volunteerism that both supports the school and the students,
- School wide participation in local, state, national, and international community outreach service, that contributes to the need and well-being of others.

- **MISSION INTEGRITY**

Sacred Heart Catholic School welcomes students of all faith backgrounds. Sacred Heart Catholic School takes seriously its responsibility to teach Catholic faith and morals in all fullness. Therefore, Sacred Heart Catholic School promotes and fosters the teaching and values of the Catholic Church as professed by the Magisterium of the Catholic Church and articulated in the Catechism of the Catholic Church, including teaching documents and guiding principles issued by the local ordinary. [Catechism of the Catholic Church \(usccb.org\)](http://usccb.org).

At times, parents, guardians, and students whose religious beliefs and practices run counter to Church teaching may experience possible conflicts, as Sacred Heart Catholic School maintains mission integrity. Sincere questions seeking deeper understanding of the Catholic faith in practice are welcome. Should a parent or student intentionally and knowingly choose not to adhere to these policies for any reason, including disagreement with Catholic faith and morals, they are effectively choosing not to fully embrace the promised school learning environment offered for all students and by that choice, freely made, they are choosing not to remain a part of the school community. School administration will respect that decision and act accordingly by withdrawing them from the school or decline to approve them for admission.

- **History**

Sacred Heart Academy was established as a grade school in 1899. The priest bought a store and moved it across the street from the church. The building served as a school on the first floor and living quarters for the Sisters of Mercy who ran the school until 1906. In 1906, the Sisters of Divine Providence took over operations of the school. In 1912, a brick school building replaced the old store, and grades nine through twelve were added. In 1960, the church broke ground on a new school. This school was used until 1968, when low enrollment and financial problems caused the school to close. The school building was used for religious education classes until 1995 when the Sacred Heart Catholic School was reopened. In 1998, the building was expanded to accommodate the growth of the school. Sacred Heart began with a three-year old

preschool, four-year old preschool, and a Kindergarten class. Each year one grade was added until 2002 when Sacred Heart stopped at seventh grade. In 2003, due to low enrollment, we dropped the seventh-grade class. Sacred Heart School eliminated sixth grade in 2009 for the 2009-2010 school year. In the spring of 2012, the pastor and School Advisory Committee decided to add middle school. Sixth grade was added for the school year of 2012-2013, seventh grade was added the following year. Finally, eighth grade was added for the 2014-2015 school year. The first eighth grade class graduated from Sacred Heart Catholic School in May of 2015 completing our school. Currently, Sacred Heart Catholic School consists of two preschool classes, one Kindergarten class, and one class for each grade from first through sixth grade.

- **Accreditation**

Sacred Heart has been accredited by the Oklahoma Conference of Catholic Schools Accrediting Association since December 2004. Sacred Heart is accredited until 2024.

- **School Administration**

The pastor under authority of the Archbishop is the primary spiritual leader of the parish of which the school is a part. The pastor delegates immediate direction of the school and its instructional program to the principal, who leads the school in accordance with the policies of the Archdiocesan Catholic School Office and the parish School Advisory Council.

The principal is the administrative, instructional and faith leader, in cooperation with the pastor, responsible for the physical and fiscal operations of the school. This includes planning and financial prudence, making policy recommendations and implementing School Advisory Council policy. The principal is responsible for the education and well-being of children entrusted to the school by the parents and communicating to parents and the parish the successes and needs of the school. The principal hires teachers and is responsible for their spiritual and instructional growth. Other administrative personnel may be hired.

- **NON-DISCRIMINATION POLICY and RESERVED RIGHTS**

Sacred Heart Catholic School admits and does not discriminate on the basis of sex, race, color, national and ethnic origin in the administration of our educational and admissions policies, scholarship programs, athletic and other school-administered programs, or access to all rights, privileges, programs and activities generally accorded or made available to students at our school. Our school reserves the rights and protections granted to it in the areas of admissions and educational policies, scholarship and loan programs, athletic and other school-administered programs, employment practices, and other areas of operations by applicable laws and constitutional provisions to act in furtherance of its religious identity and objectives.

Students are expected to treat each member of our school community with respect, including, but not limited to, showing respect for their cultural, ethnic and religious heritage. Any student who degrades, harasses or insults another with ethnic, sexual or religious slurs, intimidation, gestures, language or comments will face appropriate consequences Sacred Heart Catholic School does not discriminate on the basis of race, color, sex, ethnicity, national origin, or disability in the administration of its educational

policies, or athletic and other school-administered programs, including student admission.

Since we are a religious oriented school, we give preference to members of the Roman Catholic Church. We welcome members of other denominations when class size allows.

- **Admission**

- Students applying for Pre-3 must be three years old by September 1 of the year of entrance and toilet trained.
- Students applying for Pre-4 must be four years old by September 1 of the year of entrance.
- Students entering Kindergarten must be five years old by September 1 of the year of entrance.
- Students entering First Grade must be six years old by September 1 of the year of entrance.

The following is a guideline for order of admission:

- Practicing Catholic families from Sacred Heart Parish with children enrolled in our school.
- Practicing Catholic families from Sacred Heart Parish with the oldest child entering Kindergarten.
- Practicing Catholic families transferring into Sacred Heart Parish with children presently enrolled in a Catholic School.
- Practicing Catholic families with school age children enrolled in Religious Education classes.
- Practicing Catholic families from other parishes.
- Siblings of Non-Catholic students.
- Other families.

Note: Practicing Catholic is defined as one who attends Mass regularly, participates in the sacramental life of the Church, and who is a registered, supporting member of the parish.

No child is automatically enrolled in a grade. The principal and pastor must approve each enrollment. The principal maintains a waiting list.

- **Admission Requirements**

All initial enrollments are probationary for the first six weeks of school. Those students, whose conduct proves detrimental to the development of the faith community, will not be allowed to continue at Sacred Heart Catholic School. The students' academics will also be evaluated continuously during this period. If it is determined that SHCS is not meeting the needs of the child, the child may be dismissed.

Parents are expected to set a good example by attending Church, living the Gospel, and showing interest in their child's progress by reinforcing religious concepts at home. They should attend parent/teacher conferences; take an active part in parent programs, and support school policies, teachers, and administrators.

All tuition for the current year must be paid by the end of the school year in order for a student to be admitted the following year.

Required Forms

- Child's birth certificate
- Immunization records
- Baptismal certificate if student is Catholic and other sacramental records if applicable
- Previous school records if applicable

Students with exceptional learning needs will be admitted on a case by case basis pending a meeting with the principal and grade-level teacher to determine if the special needs can be accommodated. These students may be charged a special tuition rate depending on their individual needs.

Transfer Students

Students transferring from local schools, entering grades 1-6 must provide copies of report cards for the past two years, academic test results, and if applicable, copies of Individualized Education Plans (IEP) or Individualized Service Plans (ISP) at the time of application.

Students entering grades 1-6 may be required to have an admission interview. Families will be called to schedule an interview if this is necessary. Students may also be screened before admitted.

Before a prospective transferring student is admitted:

1. The parent/guardian shall supply the school with complete permanent records from the school the student last attended. These must include immunization records, grades, standardized test results, information concerning special education services and/or other educational information that is available on the child.
2. The principal will obtain verbal or written recommendations regarding the student academic/behavioral history from the previous school administration.
3. After evaluating the information received and discussing this with the classroom teacher to whom the child would be assigned, the principal will determine if both the educational needs of the student can be met by the services available and if the presence of the prospective student will be an asset to the present school clients and school program.
4. Admission is on a probationary basis for a period of six weeks, which may be extended if necessary. The student is expected to be in compliance with the regulations as stated in this handbook, as well as the academic and behavioral regulations set forth by the teacher.
5. Sacred Heart Catholic School will abide by all grade placement recommendations made by the previous school.

ARCHDIOCESE OF OKLAHOMA CITY SEXUAL IDENTITY POLICY

According to foundational principles of the Catholic Church's teaching about human sexuality, Sacred Heart Catholic School accepts the following definitions. "Sex" means the biological condition of being male or female as based upon physical differences from conception "Sexual identity" is a person's identity as male or female, harmonious with one's biological sex from conception (See *Catechism of the Catholic Church* #2333) Accordingly, Sacred Heart Catholic School will interact with students, faculty and staff according to their sexual identity as male or female from the point of conception.

As a Catholic school, Sacred Heart Catholic School understands some students experience distress or dissonance between their self-perception and what they understand as restrictive cultural norms or stereotypes. Sacred Heart Catholic School seeks to help all students understand their primary identity is a child of God (who is the source of their dignity) and that God creates each person as male or female with unique gifts and interests. In accord with Catholic Church teaching the sexed body is a gift from God which should be cherished. Therefore, Sacred Heart School can neither support nor facilitate a student rejecting his or her body by social transition (dressing and identifying as the opposite sex or as non-binary), medical transition (use of puberty blockers or cross sex hormones), or surgical transition (removal of sexual organs or of secondary sex characteristics, or surgeries designed to create secondary sex characteristics of the opposite sex). Because the process of a "gender transition" involves the rejection of the body as a gift, the student who has begun to transition has chosen a path at odds with their integral human and God-given identity. Since the mission and identity of the Catholic school is to share and develop this holy and holistic view of the human persons, students and parents who profess or promote an alternate vision of the human person are choosing not to remain enrolled.

In accord with this sexual identity policy, school personnel will address students by the name with which the student is registered (or its common derivative) and pronouns correlating to the student's sexual identity based on biological sex from conception. All other policies at this school will reflect the teaching of the Catholic Church concerning sexual identity.

Tuition

Parents of new enrollees must be practicing Catholics to qualify for the Catholic rate. Each parent that is a practicing Catholic must provide the office with the church envelope number. If the parent is from another parish, they may provide a letter from their parish priest or a year-end statement showing financial support for parish activities. Sacred Heart Catholic School is a non-tax supported school. You are our primary partner in the education of your child. Nothing the school wishes to accomplish is possible without your help.

Among your many responsibilities are your financial obligations. We must insist that those financial obligations be paid in a timely manner. We are always willing to work with parents who may be experiencing difficulties. A meeting to arrange a workable solution must be scheduled with the principal through the school office.

Tuition is a flat rate for the year divided into payments over the school year. Payments are broken down into an eight, nine- or ten-month schedule.

Tuition payments are due the 1st of each month. Tuition payments can also be made in a one lump-sum total payment. Tuition payments are late after the 10th of each month. Failure to meet tuition commitment within 45 days of the due date may result in the student being removed from the Sacred Heart Catholic School enrollment. A late fee of \$5 will be added if tuition is not paid by the 10th of each month. There will be a \$25 late charge applied to all returned checks.

We welcome payment from grandparents, parishioners, and parents; however, it is the responsibility of the primary custodial parent to make sure all balances are resolved before the end of the school year. All multiple sibling discounts will go to the primary custodial parent.

Families of Sacred Heart must have a tuition contract signed by both parents or custodians on file in the office by the end of the first full week of school.

- **Enrollment Fees**

New Student, preschool and Pre-Kindergarten enrollment fees must be paid at the time of registration. These fees are non-refundable.

Current students are considered enrolled but not registered for the next academic school year. All families must update their student's registration in RenWeb by the last week in March. On April 1, the enrollment fee will be assessed to ALL current students regardless of RenWeb registration status. If your child is not returning for the next academic school year, the office

must receive notification from the parent in writing to adjust the enrollment fee by May 1st. If notification in writing from the parent is not received by May 1st, the charge will be added to the account and records will not be released until the account is paid in full. Currently enrolled students who do not register by April 1st, will be charged a \$25 registration fee.

Currently enrolled students will receive the current academic year enrollment fees if at least half of the enrollment fee is paid before May 15 of the current school year. The new enrollment fees will be applied after the last day of the school year. Enrollment Fees must be paid in full by the first day of school.

Parent's Role in Education

We at Sacred Heart Catholic School consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role model for your child's development-physically, mentally, spiritually, emotionally, morally, and psychologically. Your choosing of Sacred Heart Catholic School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

A Good example is the strongest teacher. Your personal relationship with God, with each other, and with your Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these ideals are nurtured by the example of good Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into partnership with us at Sacred Heart Catholic School, we trust you will be loyal to this commitment. During these formative years, (Preschool-6th grade), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nurturing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect for all authority. If there is an incident at school, you as parents, must

make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and any other assignments. This responsibility also extends to times of absence.

Together let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

PARENT COOPERATION

Parents/guardians are the primary educators of their children, and Sacred Heart Catholic School is privileged to be a partner with them in the formation of their children. Mutual cooperation, trust and support are essential for the fulfillment of this responsibility. Students and parents/guardians are required to sign our Student-Parent Handbook acknowledgement form, indicating they have read the handbook, accept and support our philosophy, policies and procedures, and will comply with them.

Under usual circumstances, a child is not to be deprived of a Catholic education because of the attitude of a parent/guardian. However, a situation could arise whereby an uncooperative or destructive attitude of a student's family may diminish the school's effectiveness in acting *in loco parentis*, and the child's retention would be incompatible with the school's philosophy. If, in the school's judgment, such a situation is evident, the family will be asked to withdraw the student from Sacred Heart Catholic School. Parents/guardians must sign the Diocesan Memorandum of Understanding prior to their child's attendance.

- **Parents as Partners**

As partners in the educational process at Sacred Heart Catholic School, we ask parents:

- To set rules, times, and limits so that your child
 1. Gets to bed early on school nights;
 2. Arrives at school on time and is picked up on time at the end of the day;
 3. Is dressed according to the school dress code;
 4. Completes class assignments on time
- To actively participate in school activities such as C.H.A.L.K. board, Parent-Teacher Conferences, and Fund-raising.
- To see that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student.

- To notify the school with a written note when the student has been absent/tardy.
- To notify the school office of any changes of address or important phone numbers.
- To meet all financial obligations to the school.
- To inform the school of any special situation regarding the student's well-being, safety, and health.
- To complete and return to school any requested information promptly.
- To read school notes and newsletters and to show interest in the student's total education.
- To support the annual fundraising activities.
- To support the religious and educational goals of the school.
- To support and cooperate with the discipline policy of the school.
- To treat teachers with respect and courtesy in discussing student problems.

- **Volunteers**

Volunteers are an essential part of a successful school; we rely heavily upon your support to maintain our excellent educational environment. Our school is truly blessed with the giving and commitment of time and talent by all our volunteers. With every minute you volunteer, you help to enhance the quality of your child's education. By volunteering and getting involved in your child's school, you and your child will have a positive experience here at Sacred Heart.

Each Sacred Heart Family is required to fulfill a minimum of 10 volunteer hours per family. Families who are receiving financial assistance from Sacred Heart are required to fulfill a minimum of 20 hours. Failure to fulfill volunteer requirements by the last day of April will result in a fee of \$150 charged to the family account. (\$300 for families receiving financial assistance from Sacred Heart) **The family is responsible for logging in their volunteer hours.** Volunteer hours can be logged on the Parent's Web app or by logging into your ParentsWeb account. These logs will be reviewed and verified by the principal at the end of each 9 weeks.

All employees and volunteers who have regular contact with minors or vulnerable adults must complete the Safe Environment Protocol BEFORE being employed or accepted as a volunteer. The following is a summary of the steps required to be considered for employment or volunteer activities.

The custodial parent is responsible for providing court orders and custody agreements.

Communication on your child’s progress is critical. At least twice a year a formal Parent-Teacher Conference will be scheduled. Attendance is important to all. Parents

should consult with a teacher whenever the need is present, but an appointment should be made in advance. Please call the office and leave a message for the teacher to schedule an appointment. The teacher will return your call to set a time.

- **Complaints**

Any person feeling aggrieved concerning any matter connected with the school will contact the individual concerned before discussing it with other patrons.

1. If a person has a complaint about a teacher or other school personnel, the individual will go **first** to the teacher to seek a solution to the problem.
2. If the matter cannot be resolved satisfactorily, the person will contact the principal for an appointment.
3. If the problem is still not resolved, the person will contact the pastor to discuss the matter.
4. The Advisory Council members are not to attempt to solve school problems but should refer the aggrieved person to the above procedure. An Advisory Council member who is approached will notify the principal.

- **Courtesy**

Respect and courtesy should be shown at all times to all adults and fellow students. We expect children to conduct themselves in a refined, courteous, and Christ-like manner at all times including work and play.

- **Cumulative Records**

Cumulative records include basic information such as student birth date, address, telephone number, family data, schools previously attended, sacramental information, some testing results, and academic progress.

If a student transfers to another Catholic school within the Oklahoma City Archdiocese, the original cumulative record is given to the receiving school. If the

student transfers to another school outside the Archdiocese or to a non-Catholic school, the cumulative record is retained in an inactive file at the original school. A copy of all pertinent information is forwarded to the receiving school following a written request by the parents/guardians or receiving school. In the case of outstanding bills, library books, or schoolbooks, cumulative records and final report cards will be held.

- **Promotion and Retention**

All promotions are based on a total evaluation of a student's growth in all areas of development. If a student's progress is unsatisfactory, the parent/guardian will be notified immediately. If retention is being considered, the teacher will discuss this possibility with the principal and parent/guardian as soon as possible.

- **Homework and Classwork**

Parents can expect work at home to accompany and reinforce classwork in school. Teachers assign homework with care and for the purpose of fostering habits of independent study and personal responsibility. If your child seems to be spending excessive time on homework or he/she is not bringing work home, please contact the teacher.

The school expects:

- Math work is to be done in pencil.
- Written work to be clean, neat, readable, unwrinkled, and without scratch-out marks. Work that does not meet these standards is unacceptable and must be redone.
- Mistakes with pencil are to be erased neatly and completely and the mistake corrected.
- Late or incomplete assignments must be made up by the student. However, the teacher makes the decision for acceptance of past-due assignments.
- Make-up work after an absence is the responsibility of the student.
- Students are to have the necessary supplies for schoolwork.

- **Attendance, Absences and Tardies**

Students are expected to be in attendance at all times when school is in session unless illness or an emergency prevents it. Daily attendance is to be accurately taken by the homeroom teacher and recorded on the school RenWeb system. All students returning from an absence due to illness should provide a written excuse to the school office for their absence. Students who miss two hours or fewer of school are marked tardy. Students who miss more than two hours are marked as a ½ day morning or afternoon absence.

Absences and tardies are recorded in the student's permanent file. A child is considered tardy if they arrive at school after 8:10 a.m. Students who are Pre-K-6th grade who arrive at school after 8:10 a.m. must report to the school office. Students with 3 or more tardies will not receive perfect attendance awards. **Parents of students**

exceeding 3 tardies per nine-week period will be assessed 30 volunteer minutes to their required yearly volunteer hours per tardy. **Hours will be assigned by family, NOT by the number of children tardy.** If a child is absent, please call the office by 9:30 A.M. or send a note to the office by way of a sibling.

Absences and tardies will only be marked excused if accompanied by a note from a doctor, dentist, etc. Students miss valuable information when they are late to school or returning from lunch. Recurrent and excessive tardies are a form of truancy and can be a cause for retention. In accordance with Oklahoma State Law, students may not miss more than 20% of the school year, or 25 days. Any student missing more than 25 days must have documentation from a doctor, court, etc.

In accordance with Archdiocesan Policy, students who arrive to school after 10:00 a.m. are considered to have a ½ day absence. Students who leave school after 1:00 p.m. are considered to have a ½ day absence. Students who leave from 2:00-3:00 p.m. are considered tardy.

- **ACADEMIC NEEDS**

Sacred Heart Catholic School does not have a designated Special Education program. Students seeking admission to the school with Rehabilitation Act Section 504 documentation, IEP documentation, long-term medical/health/behavioral documentation, or requests for special student accommodations that significantly alter the regular classroom process may undergo an application review with the assistance of the Office of Catholic Education of the Archdiocese of Oklahoma City. Relevant educational reports or records of diagnosis, where applicable, must be provided upon request. Student service plans cannot contain accommodations or modifications that are in opposition of Church teaching.

- **STUDENT ASSISTANCE PROGRAM**

Parents are an integral part of the Student Assistance Process at Sacred Heart Catholic School.

- **Student Check-Out Policy**

Because the school is responsible for students while they are at school, students leaving for **any reason** (ie: speech, lunch, appointments, etc.) during school hours must be signed out of the office. Parents are not to go directly to their child's classroom to check them out of school. **Parents are required to sign their child out of school, in the school office, before their child may leave the school premises.** If the child returns, they must be signed back in through the school office. Students who report to school after the lunch period is over, will be considered tardy. Pre-K-3rd grade students need to be back from lunch by 12:00. 4th-6th graders need to be back from lunch by 1:00 p.m.

Families must make plans for the day before school starts. Messages to and from parents to students disrupt the flow of the school day, and we ask that you plan ahead for the day.

- **Family Vacations**

When children are taken out of school for vacation trips, the principal and teacher must be notified in advance. Children miss valuable instruction during these times, which cannot be regained. Teachers are not required to provide advance assignments or to make-up tests. Make-up work will be the responsibility of the student and the parents upon return.

- **Field Trips**

- Students participating in a field trip or off-campus, class-related educational program are required to have parental permission and conform to the Sacred Heart Catholic School Uniform Code. There are no exceptions to the written requirement.
- Field trips are designed to correlate with teaching units and to achieve curricular goals.
- All grade levels do not always have the same number of field trips.
- Individual teachers, in consultation with the administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
- The teacher reserves the right to request that a child's parent or guardian accompany the group to ensure the safety and well-being of everyone.
- A written official permission slip, signed by the parent or guardian, is required before a child will be permitted to attend a field trip. **Verbal permission cannot be accepted.**
- Transportation will be subject to federal, state, and local laws to comply with safety regulations applying to transport children. Drivers must be at least 18 years old and provide the school with a copy of their driver's license and insurance verification form. Each volunteer driver will need to have completed the Archdiocesan Safe Environment Program including a background check. The appropriate fee must be attached to the form. The school bus will be driven unless other arrangements are made.
- When adults transport students other than their own children, there must be 2 Safe Environment approved adults in the vehicle.
- In the best interest of your child, no siblings of school age/enrolled at Sacred Heart School will be allowed on field trips. This is **their** time to shine as special individuals. Please make other arrangements for siblings.

Pet Policy

Individuals with a documented need for a service animal or service animals as employed by the school are welcome on the school campus and at school-related activities. All other pets or animals are not allowed on the school campus at any time unless for an administration approved activity. Administration approval is only intended for events in which the presence of an animal encourages the learning process or specific, Church sponsored pet blessings. Pets or other animals are not allowed on any school field trip or other school sponsored event, including school-sponsored social events.

- **Liturgical Experience**

Development of each child's faith is the overall goal of the religious education program. All students are to attend mass when it is held on a school day. Non-Catholic students are expected to attend, participate, and show reverence and consideration for our Catholic beliefs.

Preparation for the sacraments of Reconciliation, Eucharist, and Confirmation are an integral part of the religious education of children. The sacraments are incorporated into each grade level as a sign the Lord is always present. Second Graders are prepared for First Reconciliation and First Communion at Sacred Heart Catholic School.

School Dress Code

In order to maintain uniform appearance and proper comportment throughout the school day and at school events, all students, staff and faculty must follow the dress code expectation of their biological sex while on campus and while representing the school at outside functions. Modesty is expected at all times. Good grooming is encouraged such as cleanliness of body, care of teeth, skin, hair, and nails.

- **Uniforms**

The Gospel calls the people of God to lead simple lives. Sacred Heart Catholic School has its students wear uniforms for the following reasons:

- Uniforms help parents and students resist peer pressure.
- Uniforms help students concentrate on schoolwork.
- Uniforms are a symbol that all children who attend this school are equal.

Students in grades Pre-3- 6th grade are required to wear a uniform during the academic school session. The complete uniform is to be worn each day unless otherwise specified by the administration. If the uniform is not worn or is incomplete, the parents will be notified and asked to pick up their child and dress him/her appropriately.

Alternate numbers such as pagers and cell phones should be provided as well. In the event of an emergency, updated information is critical in order to notify a parent or guardian.

- **Absence During the School Day**

Students needing medical appointments during school hours require a written note by the parent. Parents are required to sign out their child. If the child returns to school during the same school day, he/she must report to the office, and be signed in.

- **Parents/Visitors**

Please keep in mind, the school will not be an occasion for visitation, unless deemed a school activity in which guests have been invited to attend. This includes, but is not limited to, custodial or non-custodial parents, extended family members, or friends, etc.

- **Health Services**

In case of an accident at school, emergency first aid will be administered, and parents/guardians will be notified. If the school is unable to reach a parent, emergency phone numbers will be used. A medical release form is available in the school office authorizing school personnel to act in cases when parents cannot be reached.

An emergency unit will be called only in extreme cases or when the seriousness of the injury or illness is in question by the principal or the person in charge. The police will be notified if deemed appropriate. They will be called in all cases involving injury caused by vehicles.

- **Suspected Child Abuse/Neglect**

Under Oklahoma law every person having reason to believe that a child under the age of 18 years has had physical injuries or injuries inflicted upon the child by other than accidental means, where the injury appears to have been caused as a result of physical abuse, sexual abuse, or neglect, shall report the matter promptly to the county office of the Department of Human Services.

- **Crisis Management**

The school has a crisis management plan to protect the children. If a parent is interested in viewing this plan, it is available in the school office.

- **Health Policy Archdiocese of Oklahoma City**

The Archdiocese of Oklahoma City shall provide an environment for students to study, interact, and learn. Such an environment shall be reasonably free of hazards that may threaten or endanger the health of our children or educators.

- **Diabetes**

1. Every diagnosed student with diabetes must have on file: Diabetes Medical Management Plan signed by a physician.
2. When a school has enrolled a student with diabetes, the school will provide training for two adults for “Managing Diabetes in Schools”. Information on these classes can be found on the State Department of Education Website under Health and Wellness.
3. A school will work with parents and the physician to establish necessary documentation for daily insulin and glucose monitoring.
4. Each school will establish a local implementation plan appropriate for each student’s needs.
5. The school will allow the diabetic student to manage his/her care, assessment, and treatment as needed while attending school and or activities. The school will provide a private area where the student may attend to the management of his/her diabetes.
6. Liability Statement: The school, employees and any other agent of the school will not be held liable while performing and or assisting in the diabetes management plan for individual students.

- **Immunizations**

Immunizations are required for all NEW students. Families with continuous enrollment in the Archdiocese of Oklahoma City prior to the 2016-2017 school year are accepted with their current immunization status.

Every new student enrolled in a Catholic school in the state of Oklahoma shall be immunized against vaccine preventable diseases caused by infectious agents in accordance with the immunization schedule adopted by the Oklahoma Department of Health Services. A student who fails to present the required evidence shall not be accepted for enrollment.

The only exception to the forgoing requirement is a medical exemption signed by a licensed physician (M.D. or D.O.) authorized to practice in the State of Oklahoma.*

Procedures for a Child Needing a Medical Exemption (or for students of continuously enrolled families prior to 2016-2017 school year)

Parents are required to submit a waiver request for immunization exemptions in writing (Oklahoma Department of Health Form #216A). Parents are referred to schools to obtain the forms. A physician must sign medical exemptions. Parents should then return the entire form to the school. School officials must review the form to ensure that it has

been properly completed, is legible, and signed. A copy of the form or statement must be kept on file in the student's cumulative record and a copy must be sent to the Immunization Service for approval.

Parents should be informed that their child might be excluded from school in the event of an outbreak of a disease for which their child is exempted.

Each exemption submitted to the Immunization Service is reviewed for validity and accuracy. If the exemption is determined to be invalid, the form or statement will be returned to the school along with a letter explaining the reason why the exemption is invalid. If the exemption is valid the form is returned to the school marked with an approval stamp. The Immunization Service does not keep a copy of the exemption certificate.

Oklahoma's immunization law does not require a new exemption form to be filed every year. It is the policy of the Immunization Service to accept exemption forms filed when the child entered the school system. Exemption forms should accompany children when they transfer between schools. Schools should not keep the exemption form of a transferring student. If a student transfers into Oklahoma schools from another state, an exemption form must be completed to comply with Oklahoma law. If an exemption form has been misplaced, a new form should be completed, but if an exemption form is on file, an additional form is not needed unless vaccine requirements change for the grade level of the child, such as when new vaccines are added for students entering the 7th grade to which the students does not have a previous exemption.

If a parent needs a copy of a previously filed exemption form, they must obtain it from the school. If a copy of the original exemption is not available, the parent must complete a new form. The Immunization Service does not provide copies of previously filed exemption forms for parents.

The exemption process must be completed, approved and on file at the school prior to the first day of school or students will not be admitted.

*See Dignitas Personae from the Congregation for the Doctrine of the Faith.

All students attending Sacred Heart Catholic School are subject to immunization laws of the state of Oklahoma which require all students to be immunized for: diphtheria, pertussis, mumps, tetanus, rubeola, and polio before enrolling in any Oklahoma school. Students entering kindergarten must have three doses of Hepatitis B vaccine, two doses of Hepatitis A vaccine, and varicella (chicken pox vaccine), or a letter stating the child has had chicken pox. Students entering Seventh grade must have a Tdap booster.

Meningococcal Disease and Vaccine: The following information is provided to families in compliance with Oklahoma State Law. Meningococcal disease is a rare but sometimes fatal disease caused by a bacterium called *Neisseria meningitidis*. The disease causes either meningitis, severe swelling of the brain and spinal cord, or meningococemia, a serious infection of the blood.

Teenagers and young adults, aged 15 to 22 years, are at increased risk because of behaviors that spread the disease. On average two to three people in this age group get meningococcal disease every year in Oklahoma. More than half of these could be prevented by vaccination.

Vaccines can prevent many types of meningococcal disease, but not all types. There are two vaccines available in the United States that protect against four of the five most common strains of the meningococcal bacteria. The newest vaccine, called Menactra, or MCV4, is currently available for: Adolescents entering high school (15 years of age) College freshmen who live in dormitories Other people at high risk at 11-15 years of age

This vaccine is not required to attend kindergarten through the 12th grade in Oklahoma. However, it is required for students who are enrolling in colleges and other schools after high school who will live in dormitories or on-campus student housing.

Immunization Records must show the following:

- Immunizations the child has received
 - Dates of the immunizations
 - Signature or stamp of the physician or public health clinic that administered the immunizations
 - Record showing the student is in the process of receiving the required vaccines
- **Medicine Administration**

School personnel may administer medicine, prescribed or non-prescription, including aspirin and Tylenol, only with written consent of the parent/guardian. When possible, medicine should be administered before leaving home in the morning and after school. Students will be permitted to keep inhalers and epi-pens with them at all times.

Medicine sent to the office must have written directions from a doctor (medicine label will suffice) for administering, together with the written permission to administer, signed by a parent/guardian. Permission slips are available in the office or from your doctor. Medicine should remain in the original container. If the above requirements are not met, the parent must administer the medication.

- **Nurses**

Our school utilizes the volunteer services of medical professionals in meeting the needs of our students. They serve as advisors, resource people, and also are called on

for immediate medical services. Student nurses from Canadian Valley Technology Center also contribute to the teaching program.

- **Identification of Health Problems**

Sick students should not be sent to school. This includes one who has a fever or has been sick during the night. **Do not send a student back to school if his/her body temperature has not been normal for at least 24 hours.*** Parents/Guardians or another person responsible for the student during the day will be called to pick up the student who comes to school sick or becomes sick at school.

***If a student is sick and stays home from school, they MUST have a note from a physician to return.**

You may request homework to be left in the office or sent home with a sibling or friend. The work may be picked up in the office at the end of the school day.

Upon returning to school, the student is required to bring a note to the classroom teacher stating the reason for his/her absence and the date(s). The note must be signed by the parent/guardian.

- **Contagious Diseases**

All communicable diseases should be reported to the school immediately. Any student who is able to transmit a contagious disease through day-to-day contact (such as measles, chicken pox, or tuberculosis) shall not be permitted at school or school sponsored activities as long as the possibility of contagion exists. To determine the diseased condition or the liability of transmitting the disease, the principal may require a student to be examined by a physician, and if the diagnosis is positive, shall exclude the student from school as long as the danger of disease transmission exists.

Any child afflicted with a contagious disease or head lice may be prohibited from attending school until such time as he/she is free from the contagious disease or head lice. Any child prohibited from attending school due to contagious disease or head lice will present to the principal, before he/she may re-enter school, certification from a health professional that the child is no longer afflicted with head lice or disease.

- **Covid-19**

Precautions for Youth/Students

Students/youth are not required to wear a mask in the classroom, at lunch, outside or at Mass.

As with any illness, parents should keep children home if they are ill or display symptoms of COVID-19 or variants. For more information on symptoms of COVID-19 and

how to differentiate coronavirus from other ailments such as seasonal allergies, go online to [cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html](https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html).

If a student/youth displays symptoms of COVID-19 during the activity, class or school function, they must be separated from others and their parents notified.

Parents must notify the school (or parish for RE, confirmation, youth group) if their child becomes ill with COVID-19 or tests positive for COVID-19, and must follow the prescribed return to school guidelines below.

Return to School after Positive COVID Test

Students who test positive for COVID-19 must stay home for 5 days from positive test or onset of symptoms and are strongly encouraged to isolate from others. Students may return to school, RE, Confirmation or Youth Group on the sixth day provided they are fever free for 24 hours without medication. Masking for the remainder of the 10-day period is recommended.

Families will be notified if there is a positive case in their child's classroom. Masking is optional for remaining students in the class.

- **Chronic Infectious Conditions**

Any student having a communicable disease will be dealt with on a case-by-case basis in accord with the guidelines for that disease issued by both the state and local Health Department, as well as, the Center for Disease Control.

Decisions regarding the type of educational setting for the child shall be based upon the behavior, neurological development, and physical condition of the child. The school shall decide appropriate placement after reviewing the recommendation of the attending physician in consultation with the public health personnel and parents. The principal shall decide appropriate placement in conjunction with the pastor/administrator and Superintendent of Schools.

- **Allergies**

Sacred Heart Catholic School will work with the child and his/her family who are affected with allergies to the extent the pastor and principal deem reasonable. The principal will appoint and work with an Allergy Management Team and the family to establish an agreement between the school and the family. The pastor and principal must approve this agreement. The family will be required to sign the Allergy Agreement.

- **HIV/AIDS**

(Archdiocesan policy #6210.8) Students with HIV/AIDS who are enrolled or seeking enrollment shall ordinarily be permitted to attend school in an unrestricted setting. They shall not be excluded unless exceptional conditions are evident, such as the inability to control bodily fluids or unusual physical aggression with a documented history of biting or harming others.

No discrimination is tolerated and the identity of any person with HIV/AIDS is held in confidence. The only person qualified to know who is infected is the health commissioner.

TECHNOLOGY CONCERNS

If a cell phone becomes a distraction by ringing or student use during the school day, the cell phone will be taken to the office.**

Items taken away from students will be returned to the parent/guardian.

If a student has a phone at school, the cell phone should be parked in the off position for the day and stored in the student's backpack or locker.

School administration reserves the right to search the phone if there is a reasonable suspicion that the safety and well-being of the student, school, its staff and students is/are at risk or reasonable suspicion of a school related wrongdoing.

Tablets/E-readers

Electronic readers (E-readers) are digital devices that can store books, periodicals, magazines and other electronic media. E-readers like Kindle's, Nooks, iPads, and iTouch are quickly becoming ubiquitous in our digital culture and simply cannot be ignored. Sacred Heart, in striving to maintain technological relevance in education, is providing the opportunity for students to use these devices in accordance with our E-reader Acceptable Use Policy. This opportunity is a privilege that requires extra caution and responsibility both on the part of the students and their parents.

E-reader Acceptable Use Policy:

The wide variety of hardware and software capabilities of available E-readers makes them challenging to monitor and control in a school environment in contrast with school owned technology like computers, etc. Therefore, our E-reader acceptable use policy needs to be specific and clear. A student who violates any portion of the E-reader Acceptable Use Policy may immediately lose the privilege to use their E-reader at school for a length of time commensurate with the nature of the violation. E-readers fall under

the Student Acceptable Use of Personal Devices Policy, and a copy of the signed agreement form must be on file in the office.

1. All E-readers must be registered with the homeroom teacher and accompanied by the Acceptable Use Agreement signed by both the parent and student.
2. E-readers are to be used **only** for the reading of school approved material (books, etc.) and not for other purposes such as communication, entertainment, music, gaming, etc.
3. All material on the E-reader must comply with the spirit and policies of Sacred Heart School. Please refer to the handbook for more details.
4. All E-readers must have cellular and network capabilities disabled (turned off) while the device is at school.
5. E-readers must be used at appropriate times in accordance with teacher instructions. The E-reader must not be a distraction for the student or those around him/her nor be a source of any classroom disruption.
6. E-readers are not to be used during lunch, middle-school breaks, or during playground/recess time.
7. The student is responsible for knowing how to properly and effectively use their E-readers and this should not be a burden for teachers.
8. Sacred Heart Catholic School is not responsible for E-readers that are lost, stolen or damaged at school.

School administration reserves the right to search the E-readers/tablets if there is a reasonable suspicion that the safety and well-being of the student, school, its staff and students is at risk or reasonable suspicion of a school related wrong-doing.

Social Media Use: Engagement in online blogs such as, but not limited to, Facebook, Instagram, SnapChat, Tic Tok and Twitter may result in disciplinary actions if the content of the student's or parent's blog includes defamatory comments regarding the school, faculty, other students or the parish.

The posting of messages, videos or images online that promote racism, sexism, violence, immoral or illegal activities or conduct counter to the mission of the school and the Catholic Church are not acceptable from a Sacred Heart Catholic School student and will be addressed.

Photo Sharing Sites: Photos, captions, and comments on aps such as, but not limited to Snapchat, Tic Tok and Instagram that depict the school, faculty, other students, or the parish in a defamatory way may result in disciplinary action.

Sexting: Students involved in possession or transmission of inappropriate photos on their cell phones or other electronic devices face suspension and/or expulsion. Sacred Heart Catholic School is legally obligated to file a police report in all cases.

Texting: Students should at no time be involved in texting during the course of the school day. Students involved in texting at school face detention, suspension and/or expulsion.

Online Sites: Online sites such as, but not limited to, virtual reality sites, online games, etc. can pose a developmental and moral risk to the life of a student. Parents are cautioned to be aware of the online sites visited by their children, knowing that often predators are not living in a neighborhood, but within the home via a computer. Students who have avatars that depict other students, teachers or parish staff in a defamatory light face detention, suspension, or expulsion.

Bullying/Harassment/Intimidation

Sacred Heart Catholic School attempts to provide a safe environment for all individuals. Any action based on lack of respect for others, including sexual and physical abuse, and the creation of a hostile environment by students, faculty and/or staff will not be tolerated at Sacred Heart Catholic School. The principal investigates all complaints of bullying, harassment or intimidation. Students making threats **(seriously or in jest or online)** or who are involved in bullying, cyberbullying, harassment, or intimidation face detention, suspension and/or expulsion.

Harassment, intimidation and bullying means any gesture, written (including using technology such as, but not limited to texting, social media, tweeting, email, etc.), or verbal expression or physical act that a reasonable person should know will harm another student, damage property, or insult or demean any student or group of students in such a way as to interfere with the school's educational mission or the education of any student.

"At school" means on school grounds, at school-sponsored activities, or at school-sanctioned events.

All complaints will be investigated, and appropriate disciplinary action will be imposed. The attached policy will be utilized for the investigation process and determination of the appropriate disciplinary action. The signature of the student and parents in this handbook demonstrates compliance with this policy.

DIOCESAN ANTI-HAZING POLICY

Hazing of any type is prohibited towards any student or student group who attends Sacred Heart Catholic School. Hazing conducted by students, coaches, or faculty may result in disciplinary actions or separation from the school.

Student Network and Internet Acceptable Use

Students are encouraged to use the school's computers/network and Internet connection for educational purposes. Use of such resources is a privilege, not a right. Students must conduct themselves in a responsible, efficient, ethical and legal manner. Unauthorized or inappropriate use, including any violation of the school's policies and administrative guidelines, may result in cancellation of the privilege, disciplinary action consistent with the school's rules, and civil or criminal liability. Smooth operation of the school's network relies upon users adhering to the acceptable use policy. Students and parents must read and sign the Student Network and Internet Acceptable Use and Safety Agreement.

- **Fire, Intruder, and Tornado Drills**

Fire drills will be conducted once a month. The students, faculty, and school staff are all informed of the fire exit plans. Tornado drills are conducted several times during the school year. Intruder drills will be conducted twice a year. The students, faculty, and school staff are all informed of the procedures.

- **Playground**

Playground supervision is conducted according to safety and health regulations. Pupils shall go outside during recess period during good weather. No pupil is to enter the building during the recess period without permission from the playground supervisor.

- **Gum and Candy**

All food, including candy, may be eaten only at lunchtime in the cafeteria. Exceptions may be made as school personnel sees necessary. No food may be stored in desks or lockers. **Gum chewing is not permitted inside or outside on the school grounds.**

- **Nuisance Items**

Toys, make-up, perfume, CD players, MP-3 players, iPods, headphones, cell phones, pagers, video games, etc. must be left at home. If taken by a school employee, the item will be taken to the office. **Items taken away multiple times may be kept until the end of the school year.** Any "craze" which can be traded, swapped, etc. is considered a nuisance item and may not be brought to school.

- **Treats and Classroom Parties**

Each class is permitted to have classroom parties for special occasions. Parents may be asked to assist the teacher.

Permission from the teacher must be secured at least one week in advance when special treats are to be sent to school for a student's birthday. This allows for the kitchen staff to make necessary adjustments. Parties will consist of reasonable food and activities approved by the classroom teacher.

Birthday invitations may not be distributed in class unless all students are invited, or only all girls, or all boys are invited. Invitations may not be distributed at school to students who are not in a child's class.

- **Deliveries to Students**

Floral arrangements, balloons, and/or gifts may not be delivered to school for birthdays, or other special occasions.

- **Pet Policy**

Individuals with a documented need for a service animal or service animals as employed by the school are welcome on the school campus and at school-related activities. All other pets or animals are not allowed on the school campus at any time unless for an administration approved activity. Administration approval is only intended for events in which the presence of animal encourages the learning process or specific, Church sponsored pet blessings. Pets or other animals are not allowed on any school field trip or other school sponsored event, including school-sponsored social events.

- **Photo/Video/Internet Release**

Sacred Heart students are featured in local and Archdiocesan newspapers, our website, and our Facebook fan site, which may include a picture of the student and/or name or may invite a local news station to the school campus. Parents must have a signed *Internet Media Release* form in the office by the first week of school.

- **Use of School Facilities**

All students, staff, faculty and visitors are to observe modesty when using changing facilities and may only use facilities that conform to the individual's biological sex.

- **SCHOOL DANCES AND SCHOOL-SPONSORED ACTIVITIES**

In keeping with the Catholic mission and identity of Sacred Heart Catholic School, student dress and behavior is to conform with those characteristics of a virtuous and Christ-centered person at all times, including dances and social activities. Consistent with these expectations, students are to refrain from any sexually suggestive behavior both on and off the dance floor. Clothing worn to dances should be appropriate for the occasion, according to the standards of modesty that students are expected to maintain.

In keeping with the Catholic Church's teachings on human sexuality, including its teaching in the *Catechism of the Catholic Church* #2357, advocating for, or expressing same-sex attractions, including same-sex couples at dances, is not permitted. If sexually suggestive or inappropriate behavior occurs, parents will be called, and the student(s) will be sent home. Students whose clothing violates standards of decency and modesty may be asked to change into something more appropriate. Clothing intended to convey a "gender identity" at odds with a student's sexual identity is not permitted, and parents will be called, and the student will be sent home to change. Guests of Sacred Heart Catholic School students are subject to the same Uniform Code, rules and regulations that govern the student body during the school day or at school-sponsored events both on and off the campus.

- **School Jurisdiction**

School desks, lockers, and other storage areas are property of the school. Students are allowed to use them with the understanding that the school reserves the right to search desks, lockers, backpacks, and all personal items brought to school at any time for the health, safety, or welfare of the community. Students may be required to empty the contents of their clothing pockets when a staff or faculty member has a reasonable suspicion that the student has an item(s) that is not permitted at school, or belongs to the school. The student or parent of a student who carelessly destroys or damages any furniture, equipment, buildings, or anyone's personal property will be obligated to pay the full amount of the repairs, labor or replacement. No writing in textbooks is permitted. The student will pay a fine or replacement for damaged or lost texts before any final reports or transcripts are presented.

- **Discipline Policy**

Students are expected to behave in a Christian and socially acceptable manner during and beyond the school day. They are expected to comply with the rules of the school, submit to the authority of teachers and school officials, and conduct themselves in an orderly fashion.

Behavior at school that violates the rights of teachers or students is considered a serious offense. The following list, which is not all-inclusive, may cause the student to be disciplined, suspended, or assigned detention:

- Possession, transmission and/or use of tobacco, drugs or alcohol
- Insolence or disrespect
- The use of improper language
- Fighting
- Rowdy behavior such as running, pushing, shoving, yelling, etc.

- Leaving the classroom or school grounds without permission
- Class tardiness
- Vandalizing, damaging or stealing school or private property
- Threatening, intimidating, or causing bodily harm to any person
- Cheating
- Possession of potentially dangerous objects
- Possession of obscene materials
- Any form of physical or sexual harassment
- Any activity which attempts to destroy the good order of the school

Disciplinary actions shall be designed to help students grow in understanding of themselves and of Christian responsibilities to others. Whenever possible, the teacher and principal will try to discover the cause of a recurrent problem, communicating personally with the student and when necessary the parents.

There may be times when inappropriate behavior by a student calls for corrective responses. Punishment must be a logical consequence of the student's offense. Corporal punishment is never justified. Any extreme or unusual punishment or any touching of a student in a manner considered punitive should be strictly avoided. Ridicule or demeaning of students is never justified. Violence is any mean word, look, sign, or act that hurts a person's body, feelings, or things.

We adhere to the Sacred Heart Catholic School Bullying Policy. Please see attached.

- **Detention**

The principal or school personnel, after consulting with the principal, may assign detention. Detention may be assigned after-school, during lunch or on Saturday.

- **Suspension**

The principal has the right to suspend a student after consultation with the parent/guardian and teacher. The parents will be notified of the reason for suspension, the time/length of the suspension and requirements for reinstatement. In-school suspension is also an option. If in school suspension is chosen, the family will be charged \$40 per day to cover the payment of a substitute.

- **Expulsion**

A student or family may be expelled from school for misconduct of a very serious nature calling for immediate dismissal. Permanent termination of a student's enrollment will be invoked rarely, only as a last resort for clear and serious cause.

- **Off Campus Conduct**

The administration of Sacred Heart School reserves the right to discipline its students for off-campus behavior that is not in line with the behavior expectations of its students during the course of the school day. This off campus behavior includes, but is not limited to cyber-bullying.

- **Controlled Substances**

The school will educate to the extent possible all students concerning the consequences of abuse of alcohol and drugs through a program appropriate for the age and maturity level of each student.

The possession, use or distribution of tobacco, alcohol, or illegal drugs is not permitted in the school, on school grounds, or at any school function.

2. "The principal shall immediately notify the superintendent of schools, (the pastor), and the parent or legal guardian of said student of the matter...(teachers) who report such information to the appropriate school official, shall be immune from all civil liability" (School Laws of Oklahoma 2002, Section 515).
3. Parents will be called to take the student home.
4. The student is immediately suspended until both parents/guardians can come with the student and meet with the principal or administrative officer designated by the principal.
5. At the meeting, the conditions for the student's readmission will be explained. The conditions could include the following:
 - The attendance of both the student and parent at a drug intervention program
 - Personal counseling for the student
 - Family counseling

Students possessing, using, under the influence of, or distributing illegal/controlled substances or alcohol on the school grounds or at a school activity may be expelled. A recommendation for treatment shall constitute no financial responsibility to the Oklahoma City Archdiocese, Sacred Heart Catholic Church, Sacred Heart Catholic School, any school employee, or member of the School Advisory Council. All costs for such treatment as medical, social service and facilities, or substance abuse prevention or treatment are the responsibility of the parents/guardians. Teachers and staff members

who report such information to the appropriate school official shall be immune from all civil liability. (School laws of Oklahoma, Sect. 417, 1988)

MARIJUANA POLICY

Any substances that are prohibited by federal law (not state law) are not allowed, will not be considered medication and are inadmissible for use by student even with a note from a medical professional. This policy is applicable to all student activities.

- **Emergency School Closing**

When Sacred Heart Catholic School is officially closed for emergencies or inclement weather, there will be announcements on Channels 4 (NBC), 5 (ABC), and 9 (CBS). If the notice is not on the 10:00 P.M. news, please listen and watch carefully the next morning at 6:00 A.M. When possible, Sacred Heart will send out a voice/text message to your home and cell phones alerting you of the closing of school.

- **Books and Equipment**

Every child is responsible for his/her schoolbooks, desk, and school equipment. Writing on books, workbooks, notebooks, desks, walls or learning materials will be punishable and the cost of the repair will be borne by the child and/or parents.

No stickers, toys, comics, magazines, books, or other items deemed inappropriate by the school should be brought to school. Such items are distractions to children and interfere with the development of good study habits.

- **Internet Safety**

Student's intentional misuse of the internet on school computers can result in suspension or expulsion.

Cyber-Bullying

Electronic communication is defined as the communication of any written, verbal, or pictorial information by means of an electronic device, including but not limited to, a telephone, cell phone, or other wireless communication device or computer. Students using these devices for harassment, intimidation, or bullying may result in disciplinary actions.

Engagement in online blogs, such as but not limited to, Facebook, Twitter, or any other social media and blogging sites may result in disciplinary actions if the content of the student's blog contains defamatory comments regarding the school, faculty, parish, or other students.

- **Bullying**

Sacred Heart School is committed to creating and maintaining a learning environment free from bullying and harassment.

Sacred Heart School expects students to demonstrate respectful behavior throughout the campus, on the bus, and at all school-sponsored events. Students whose behavior is found to be in violation of this policy will be subject to appropriate sanctions.

The complete Sacred Heart Bullying policy is on file in the office and available for viewing anytime during school hours. Parents may also request a copy.

- **Messages to Students**

In the event of an emergency, the office will deliver messages to students. Otherwise, please organize your day so the family knows the day's agenda prior to the arrival at school. Please do not call after 2:30 P.M. and expect the message to be delivered unless there is a crisis.

- **Vision Screening**

Senate Bill 1795 requires the parent or guardian of each student enrolled in Kindergarten, first, and third grades to provide proof their student has passed a vision screening within the last 12 months.

- **Letters of Reference or Recommendation**

Sacred Heart Catholic School administration, faculty or staff may not write letters or complete forms of reference or recommendation for any students who may be transferring to another school setting with elementary or middle school grade levels. Letters or forms of this nature may only be completed for graduating sixth grade students for the purpose of high school enrollment or award nominations.

Athletics

The athletic venue is actually another classroom in which student-athletes are expected to experience an additional part of their education. The key in this statement is "part," and the student-athlete must understand the athletic experience in its proper perspective. Participation in athletics should be understood not as a right but as a privilege with responsibilities attached.

To this end, Sacred Heart Catholic School has adopted the following athletic rules and responsibilities:

- Students only are eligible to participate on our school's athletic teams in a manner consistent with their biological sex.
- Every child who has attended practice and put forth effort will have the opportunity to play in each game. It should be understood that not all children have the same ability or will play the same amount of time. Every effort, however, will be made to assure that each child does participate at some time during the game.
- At any sports activity, everyone is expected to conduct himself/herself in a fair and Christian manner. Verbal or physical abuse by the coaching staff, players, or spectators will not be tolerated. Regardless of the outcome of the game, all are to participate with the sense of Christian conduct.

Athletics can make a positive contribution to a child's self-esteem while developing physical skills and character. A child should be a "WINNER," not because of the score, but because he/she has contributed to the group effort and has been treated as a worthwhile member of the team. For more specific rules, please refer to the Athletic Handbook. All students and coaches participating in extracurricular activities including basketball and cheerleading must have a signed copy of the Athletic Handbook agreement on file in the office.

Any students playing sports for El Reno Public Schools are subject to the rules and regulations of the Public Schools. Students must maintain a 80% or above grade average to remain eligible.

Asbestos Report

The Asbestos Hazard Emergency Response Act of 1986 requires all buildings in our school be inspected for asbestos and a management plan be written to document this. A copy of this plan is available on site in the school office and at the Catholic Schools Office in the Chancery Building by appointment if you wish to see it.

This notification is being provided to you by annual inclusion in the parent/student handbook for the 2022-2023 school year.

Sacred Heart Catholic School After School

The After School Club is an afterschool childcare program located at 210 S. Evans in El Reno, Oklahoma. The goal of this program is to provide an enriching, recreational

program conducive to learning and social interaction with a minimum of formal structure. Children are encouraged to pursue their interests and develop friendships, independence, confidence, and respect for themselves and others. The staff strives to maintain a caring and challenging environment that allows freedom of choice and meets health, safety, and nutritional needs of each child.

- **Locations**

The program will utilize the Sacred Heart Catholic School building, gym area, Parish Hall, parking lot, library, and play yard.

- **Age**

The After School Club is for children Pre-3 through 6th grade. However, exceptions can be made for siblings of students enrolled in Sacred Heart Catholic School.

- **Enrollment**

Several enrollment options are available to suit the needs of families. The After School Club monthly plan offers extended care every school day afternoon. A daily plan is also available. For daily enrollment, parents must designate which days are desired. For purposes of maintaining proper student to staff ratio, these days may not fluctuate.

- **Arrival and Dismissal**

For your child's safety, we require each child to be signed in when arriving before school, and signed out when leaving for the day. Children will only be released to those persons listed on the enrollment form. If a child is to be released to anyone other than a person listed, a note authorizing this must be received. For your child's protection, proof of identification may be required.

The After School Program for preschool begins immediately following lunch. The After School Program for grade school begins immediately following school dismissal.

Children must be picked up before or by 5:30 P.M. Parents are encouraged to have an emergency pickup plan arranged for unusual situations. A late charge will be assessed for late pickup.

- **Absences**

Because your child's safety is foremost in our mind, it is very important the director be informed if your child will be absent. No tuition credit will be given for absences. Children enrolled on the daily plan may not select another day to attend if absent on a designated day.

- **Behavior Goals**

Our goal is to establish and maintain positive behavior. Rules and limits will be age-appropriate and consistently implemented. The staff will act as positive role models and maintain an ongoing evaluation of the program and children being served. If a child experiences difficulty in the program, the problem will be discussed with the child and parents for possible solutions.

- **School Closing Due to Weather**

When Sacred Heart Catholic School is canceled due to bad weather, the After School Program will also be closed. No tuition credit will be given for these days. The After Care Program may also be closed due to severe weather threats.

- **Medical**

A child may not attend with any of the following symptoms:

- Fever
- Undiagnosed rash
- Vomiting or diarrhea
- Inflamed or matted eyes

If a child becomes ill the parent will be contacted to pick up the child. No prescription medication may be given without a permission card signed by the parent. Tylenol may be given with written permission.

The staff will make all reasonable efforts to ensure the safety of each child. However, in the unlikely event of an accident, our basic emergency procedures are as follows:

- Administer immediate first aid
- Notify parents, guardians or persons designated for emergency pickup
- Contact the physician or emergency unit
- Take the child to proper medical facilities if the need arises

Costs for medical care or emergency transportation will be the responsibility of the parents.

- **Activities**

A wide range of activities will be offered so each child may choose from several areas of interest. Children will have the opportunity for individual or group play, both indoors and outdoors. Snacks, arts and crafts, games, and a quiet reading area are some of the activities available.

Athlete/Parent/Guardian Sudden Cardiac Arrest Symptoms and Warning Signs Information Sheet

What is sudden cardiac arrest?

Sudden cardiac arrest (SCA) is when the heart stops beating, suddenly and unexpectedly. When this happens, blood stops flowing to the brain and other vital organs. SCA doesn't just happen to adults; it takes the lives of students, too. However, the causes of sudden cardiac arrest in students and adults can be different. A student's SCA will likely result from an inherited condition, while an adult's SCA may be caused by either inherited or lifestyle issues.

SCA is NOT a heart attack. A heart attack may cause SCA, but they are not the same. A heart attack is caused by a blockage that stops the flow of blood to the heart. SCA is a malfunction in the heart's electrical system, causing the heart to suddenly stop beating.

How common is sudden cardiac arrest in the United States?

While studies have shown sudden cardiac death among young athletes is very uncommon, SCA is the #1 cause of death for student athletes.

Are there warning signs?

Although SCA happens unexpectedly, some people may have signs or symptoms, such as:

- fainting or seizures during exercise;
- unexplained shortness of breath;
- a racing heart;
- dizziness;
- chest pain with exercise; or
- extreme fatigue.

These symptoms can be unclear in athletes, since people often confuse these warning signs with physical exhaustion. SCA can be prevented if the underlying causes can be diagnosed and treated.

What are the risks of practicing or playing after experiencing these symptoms?

There are risks associated with continuing to practice or play after experiencing these

symptoms. When the heart stops, so does the blood that flows to the brain and other vital organs. Death or permanent brain damage can occur in just a few minutes. Most people who experience SCA die from it.

Can you screen for cardiac abnormalities?

The annual sports preparticipation physical examination includes a personal and family health history to screen for symptoms or warning signs of SCA.

An electrocardiogram (ECG) and echocardiogram (ECHO) are noninvasive and painless options. However, these procedures are not currently advised by the American Academy of Pediatrics and the American College of Cardiology unless the preparticipation examination reveals an indication for these tests.

Senate Bill 239 – The Chase Morris Sudden Cardiac Arrest Prevention Act (the Act)

The Act is intended to address any sport sanctioned and offered in grades 7 through 12 by a school district in order to keep student-athletes safe while practicing or playing. The requirements of the act are:

- All student-athletes and their parents or guardians must read and sign this form. It must be returned to the school before participation in any athletic activity. A new form must be signed and returned each school year.
- Schools may also hold informational meetings. The meetings can occur before each athletic season. Meetings may include student-athletes, parents, coaches and school officials. Schools may also want to include doctors, pediatric cardiologists and athletic trainers.
- In order to coach an athletic activity, coaches are required once each year to complete an approved SCA training course offered by a provider approved by the Oklahoma State Department of Health.

Removal from play/return to play

- Any student who collapses or faints without a concurrent head injury while participating in an athletic activity shall be removed by the coach from participation at that time.
- Any student who is removed or prevented from participating in an athletic activity shall not return to participation until the student is evaluated and cleared for return to participation in writing by a health care provider. Health care provider is defined as a person who is licensed, certified, or otherwise authorized by the laws of this state to practice a health care or healing arts profession or who administers health care in the ordinary course of business (such as a physician, physician assistant, advanced practice nurse, or cardiologist).

Assumption of Risk and Waiver of Liability Relating to COVID-19

The novel coronavirus ("COVID-19") has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly through person-to-person contact.

COVID-19 has sickened thousands and killed hundreds in Oklahoma. There is substantial evidence of community spread of COVID-19 throughout Oklahoma and most other states. **Sacred Heart Catholic School-El Reno** is following guidance from the U.S. Centers for Disease Control and Prevention, the Oklahoma State Department of Health and other agencies, and has implemented social distancing measures, increased hand-washing and other hygienic practices, and frequent cleaning of common surfaces. Despite such precautions, the risks associated with transmission of COVID-19 remain high. Individuals travel from all over the community to participate in the activities of the school. In addition, the nature of many activities makes it impossible to observe all of the recommended precautions all of the time; for example, individuals will not always be six feet apart, surfaces will not always be free of viruses and other infectants, etc. As a result of participation in the activities of the school and proximity to other participants, you or your child will be exposed to the risk of infection of communicable diseases, including COVID-19. Symptoms associated with COVID-19 range from mild to severe, and include fever, cough, difficulty breathing, headache, nausea, severe respiratory distress and death.

By signing this form and allowing your child to participate in programs offered by **Sacred Heart Catholic School-El Reno**, you knowingly and voluntarily assume the risk associated with participation.

A FACT SHEET FOR Parents

What is a concussion?

A concussion is a type of brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move rapidly back and forth. Even what seems to be a mild bump to the head can be serious. Concussions can have a more serious effect on a young, developing brain and need to be addressed correctly.

What are the signs and symptoms of a concussion?

You can't see a concussion. Signs and symptoms of concussion can show up right after an injury or may not appear or be noticed until hours or days after the injury. It is important to watch for changes in how your child or teen is acting or feeling, if symptoms are getting worse, or if s/he just "doesn't feel right." Most concussions occur without loss of consciousness.

If your child or teen reports one or more of the symptoms of concussion listed below, or if you notice the signs or symptoms yourself, seek medical attention right away. Children and teens are among those at greatest risk for concussion.

Signs & Symptoms of a Concussion

Signs Observed by Parents or Guardians

- Loses consciousness (even briefly)
- Shows behavior or personality changes
- Forgets class schedule or assignments

Danger Signs

Be alert for symptoms that worsen over time. Your child or teen should be seen in an emergency department right away if she or he has one or more of these danger signs:

- One pupil (the black part in the middle of the eye) larger than the other
- Drowsiness or cannot be awakened
- A headache that gets worse and does not go away
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Difficulty recognizing people or places
- Increasing confusion, restlessness, or agitation
- Unusual behavior
- Loss of consciousness (even a brief loss of consciousness should be taken seriously)

Children and teens with a suspected concussion should NEVER return to sports or recreation activities on the same day the injury occurred.

They should delay returning to their activities until a healthcare provider experienced in evaluating for concussion says it's OK to return to play. This means, until permitted, not returning to:

- Physical Education (PE) class
- Sports practices or games
- Physical activity at recess

What should I do if my child or teen has a concussion?

1. Seek medical attention right away.

A healthcare provider experienced in evaluating for concussion can determine how serious the concussion is and when it is safe for your child or teen to return to normal activities, including physical activity and school (concentration and learning activities).

2. Help them take time to get better.

If your child or teen has a concussion, her or his brain needs time to heal. Your child or teen may need to limit activities while s/he is recovering from a concussion. Exercising or activities that involve a lot of concentration, such as studying, working on the computer, or playing video games may cause concussion symptoms (such as headache or tiredness) to reappear or get worse. After a concussion, physical and cognitive activities—such as concentration and learning—should be carefully managed and monitored by a healthcare provider.

3. Talk to your child or teen about how they are feeling.

Your child may feel frustrated, sad, and even angry because s/he cannot return to recreation and sports right away, or cannot keep up with schoolwork. Your child may also feel isolated from peers and social networks. Talk often with your child about these issues and offer your support and encouragement.

How can I help my child return to school safely after a concussion?

Most children can return to school within a few days. Help your child or teen get needed support when returning to school after a concussion. Talk with your child's teachers, school nurse, coach, speech-language pathologist, or counselor about your child's concussion and symptoms.

Your child's or teen's healthcare provider can use CDC's Letter to Schools to provide strategies to help the school set up any needed supports.

As your child's symptoms decrease, the extra help or support can be removed gradually. Children and teens who return to school after a concussion may need to:

- Take rest breaks as needed
- Spend fewer hours at school
- Be given more time to take tests or complete assignments
- Receive help with schoolwork
- Reduce time spent reading, writing, or on the computer
- Sit out of physical activities, such as recess, PE, and sports until approved by a healthcare provider
- Complete fewer assignments
- Avoid noisy and over-stimulating environments

Anti-Discrimination, Anti-Harassment, and Anti-Retaliation Policy

And Grievance Procedure

This Policy and Grievance Procedure applies to all applicants for admission and employment, students, and employees. The Policy and Grievance Procedure will be disseminated to all such individuals, as well as parents and legal guardians of students.

Sacred Heart Catholic School (“the School”) is a Catholic faith-based community providing students with exceptional Christ-centered Catholic formation and education. Rooted in the Catholic understanding of the human person and her or his relationship with God and neighbor, the School fully embraces the teachings of the Catholic Church’s Magisterium, and the School fully incorporates these into every aspect of the School, including but not limited to, its curriculum and co-curricular activities. The physical environment of the School has external signs of the Catholic tradition including images, symbols, icons, crucifixes in every classroom, liturgical celebrations, and other sacramental reminders of Catholic life. In short, every aspect of the School’s life reminds students, parents, faculty and staff to intentionally consider the implications Catholic teaching has for their lives and for the formation and education of the School’s students. This policy is not intended to conflict with any of the School’s religious tenants or teachings of the Catholic Church. This specifically includes Catholic teachings on modesty, sanctity of life, sanctity of marriage, the theology of the body, sexual orientation, and gender identity. The School will defer to the appropriate Catholic faith leaders, including the local ordinary, and teachings in implementing this policy and nothing in this policy is intended to conflict with those teachings.

A. Prohibited Discrimination, Harassment, and Retaliation of Students, Employees, and Others

The School further prohibits discrimination on the basis of sex in the recruitment and admission of students, in its education programs and activities, and in all employment-related decisions, including recruitment, application, hiring, promotion, termination, and other employment actions.

(sacredheartelreno.com) Further, this policy is referenced in the in the School Handbook (i.e. both student and faculty handbooks), and is available in the administration office. The contact information for the designated Coordinators is also available on the School website, in the School Handbook, and in the administration office.

The School is committed to keeping all faculty, staff, and employees safe and the School's Anti-Discrimination, Anti-Harassment, and Anti-Retaliation Policy and Grievance Procedure is intended to be a guideline for an appropriate process in accomplishing that goal. The School's Anti-Discrimination, Anti-Harassment, and Anti-Retaliation Policy and Grievance Procedure is expressly not incorporated into any tuition, employment, or other contract and does not confer any statutory, common law, or contractual rights. The School reserves the right to amend the Anti-Discrimination, Anti-Harassment, and Anti-Retaliation Policy and Grievance Procedure.

1. Anti-Harassment

Harassment is a form of discrimination, and includes verbal, non-verbal, written, graphic, or physical conduct relating to a person's race, color, national origin, disability, age, sex, or other protected category, that is objectively sufficiently serious to deny, interfere with, or limit a person's ability to participate in or benefit from an educational or work program or activity, including, but not limited to:

1. Conduct that is objectively sufficiently severe or pervasive to create an intimidating, hostile, or abusive educational or work environment, or
2. Requiring an individual to endure the objectively offensive conduct as a condition of continued employment or educational programs or activities, including the receipt of aids, benefits, and services.

Educational programs and activities include all academic, educational, extracurricular, athletic, and other programs of the School, whether those programs take place in School facilities, on a school bus, at a class or training program sponsored by the School at another location, or elsewhere. Programs and activities include all locations, events, or circumstances where the School exercises control over the individuals involved and the context of any alleged misconduct. The School's education programs and activities further include buildings or other locations that are part of the School's operations, including remote learning platforms, and off-campus settings if the School has substantial control over the individuals involved (e.g., a school field trip to a museum).

The following are examples of behavior that may constitute harassment:

1. Ongoing name-calling
2. Ongoing teasing or taunting
3. Ongoing insults, slurs, epithets, or derogatory names or remarks
4. Demeaning or inappropriate jokes
5. Inappropriate gestures
6. Graffiti or inappropriate written or electronic material
7. Visual displays, such as cartoons, posters, or electronic images
8. Threats or intimidating or hostile conduct
9. Physical acts of aggression, assault, or violence
10. Sexual advances, requests for sexual favors, or sexual jokes
11. Offensive or obscene material
12. Criminal offenses

This list is illustrative only, and not exhaustive. Harassment includes inappropriate conduct based upon any legally protected status. Harassment has no place at the School. It is expected that employees and students will treat one another with mutual respect and dignity. It is the responsibility of every student and employee to conduct themselves in a manner consistent with the School's policies, and to create an atmosphere free of discrimination and harassment.

Sexual harassment is also against the policy of the School. The School strictly prohibits any discrimination, harassment, or retaliation based upon an individual's sex. It includes harassment that is not sexual in nature (for example, offensive remarks about an individual's sex), as well as any unwelcome sexual advances, requests for sexual favors, or any other conduct of a sexual nature, when:

- Submission to the advance, request, or conduct is made either explicitly or implicitly a term or condition of an individual's employment, grades, academic status, or participation in the School's programs or activities;
- Submission to or rejection of the advance, request, or conduct is used as a basis for employment or academic decisions affecting such individual, including the provision of an aid, benefit, or service;
- Such advances, requests, or conduct have the purpose or effect of substantially or unreasonably interfering with an individual's work or

academic performance, access to School programs or activities, or creates an intimidating, hostile, or offensive environment for the individual or others; or

· The conduct constitutes sexual assault, dating violence, domestic violence, or stalking, as defined by applicable law.

Please see Appendix A for additional detail on the definitions of sexual misconduct covered by this Policy.

The following are additional or more specific examples of conduct that may constitute sexual harassment:

1. Unwelcome sexual advances or propositions
2. Intentional indecent exposure in any form
3. Requests or pressure for sexual favors
4. Unwelcome comments about an individual's body, sexual activity, or sexual attractiveness
5. Physical contact or touching of a sexual nature, including touching intimate body parts and inappropriate patting, pinching, rubbing, or brushing against another's body
6. Physical sexual acts of aggression, assault, or violence, including criminal offenses (such as rape, sexual assault or battery, and sexually motivated stalking), against a person's will or where a person is incapable of giving consent due to the victim's age, intellectual disability, or use of drugs or alcohol
7. Requiring sexual favors or contact in exchange for aids, benefits, or services, such as grades, awards, privileges, promotions, etc.
8. Sex-based harassment; acts of verbal, nonverbal, written, graphic, or physical conduct based on sex or sex-stereotyping, but not involving the conduct of a sexual nature
9. Sexual harassment, sexual assault, stalking, dating violence, and domestic violence
10. Strangulation

This list is illustrative only, and not exhaustive.

2. Anti-Retaliation

The School prohibits retaliation, intimidation, threats, coercion, or discrimination against any person for the purpose of interfering with any rights under this Policy,

including the right to oppose discrimination (including harassment), or for participating in the School's discrimination complaint process, making a complaint, testifying, assisting, or participating in any manner in an investigation, proceeding, or hearing related to such conduct. Retaliation is a form of discrimination. Reports made in good faith will not result in any discipline.

The School will take immediate steps to stop retaliation and prevent its recurrence against the alleged victim and any person associated with the alleged victim, including the reporting individual. These steps will include but are not limited to: notifying students, employees, and others that they are protected from retaliation, ensuring that all involved individuals know how to report future complaints, and initiating follow-up contact with the complainant to determine if any additional acts of discrimination, harassment, or retaliation have occurred. If retaliation occurs, the School will take prompt and appropriate responsive action, including disciplinary action up to and including expulsion or termination, if applicable.

B. Grievance Procedures

These Grievance Procedures are intended to provide for the prompt and equitable resolution of all student and employee complaints alleging any action that is prohibited by the School's Anti-Discrimination, Anti-Harassment, and Anti-Retaliation Policy.

Complaint

If you believe you are a victim of any conduct that is prohibited by this Policy, or if you believe this Policy has been violated in any way, you should immediately report it pursuant to this Policy and the School's Grievance Procedures. You can help the School prevent and correct alleged misconduct. Reports should be made to the School's designated Coordinator. Complaints should be made in writing, when possible. The complaint can be made to the Coordinator in person, by mail, or by electronic mail. Your complaint should be as detailed as possible, including the names of individual(s) involved, any witnesses, dates, times, and locations of all incidents, and a factual description of the incident(s).

As a condition of employment with the School, all School personnel and employees must immediately report alleged violations of this Policy, complaints or reports of violations of this policy, and all incidents of alleged discrimination to the School's designated Coordinator, even if doing so may result in duplicative efforts. All employees of the School are charged with this obligation. Failure of

personnel/employees to abide by this requirement will result in disciplinary action, up to and including termination.

If the school has notice about possible discrimination, harassment, or retaliation, including violence, and any conduct that would violate this Policy, the School will conduct a prompt, thorough, and impartial investigation to determine whether unlawful conduct occurred (see the School's "Grievance Procedures"), and take appropriate interim measures, as necessary. The School may receive notice through an oral report, written report, personal observation by an employee, anonymous report, or other means. If the School determines that unlawful harassment occurred, the School will take prompt and effective action to eliminate the harassment, prevent its recurrence, and remedy its effects, as appropriate. If harassment or violence that occurs off school property creates a hostile environment at school, the School will follow this Policy and Grievance Procedure.

Supportive Measures

The Coordinator may determine that supportive measures should be provided to the complainant, and if so, the Coordinator will promptly contact the complainant to discuss the availability of such supportive measures and consider the complainant's wishes. Interim measures may also be appropriate for the respondent. For example, the Coordinator may determine that the respondent should (i) be removed on an emergency basis from education programs and activities based on a safety and risk analysis, or (ii) be placed on administrative leave during the pendency of the investigation and grievance process. Supportive measures are designed to: preserve access to the School's programs and activities; protect the safety of all parties; and deter further misconduct. Such supportive measures may include counseling, schedule adjustments, extensions of deadlines, escort services or additional supervision, no-contact orders, leaves of absence, and other similar measures. The implementation of supportive measures will remain confidential to the extent possible. The Coordinator is responsible for the effective implementation of supportive measures, and may implement such measures where no formal complaint has been submitted to the School, or where the complainant does not wish to pursue to grievance process, if the circumstances warrant.

Parents and Guardians

Consistent with applicable state and local law, a student's parent or guardian will be permitted to exercise the rights granted to their child under this School's policy, whether such rights involve requesting supportive measures, filing a formal complaint, or participating in a grievance process. A student's parent or

guardian will also be permitted to accompany the student to meetings, interviews, and hearings, if applicable, during the grievance process in order to exercise rights on behalf of the student.

Notice of Receipt of Complaint

Once the School receives notice that discrimination, harassment, retaliation, or other misconduct under this Policy has occurred, the School will respond promptly and effectively. Upon receipt or submission of a written complaint, the Coordinator will provide written notice to the known parties of the following:

- (A) the School's Grievance Procedures;
- (B) the allegations constituting a potential violation of these Policies, including details of the identities of the parties, the alleged incident(s), and dates and locations of the alleged incident(s), if known;
- (C) the fact that the respondent is presumed not responsible for the allegations until a Determination is made at the conclusion of the grievance process;
- (D) the fact that a determination regarding responsibility will be made at the conclusion of the grievance process;
- (E) that the parties have the right to an advisor of their choice present at any meeting or proceeding, who may be, but is not required to be, an attorney; and
- (F) the parties' opportunity to request inspection and review of evidence obtained as part of the investigation.

During the course of the investigation, should the Coordinator discover allegations that were not included in the initial notice to the parties, the Coordinator may decide to investigate such allegations. If the Coordinator determines that additional allegations require investigation, the Coordinator will provide written notice of the additional allegations to the parties, if and when known.

Dismissal of Complaint

If at any time during the investigation it is determined that no violation of this Policy or no unlawful discrimination, harassment, or retaliation has occurred, the

School will dismiss the complaint or any allegations in the complaint. However, it is possible that the alleged conduct may constitute a violation of other School policies, including the School's code of conduct, and as such may be further investigated under those policies. A complaint may also be dismissed if: (i) the complainant notifies the Coordinator in writing that he or she wishes to withdraw the complaint or any allegations therein; (ii) the respondent is no longer enrolled in or employed by the School; or (iii) specific circumstances prevent the School from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein. The School may nevertheless investigate if the Coordinator determines it is necessary in light of a health or safety concern. If a complainant refuses to participate in the investigation after making a complaint, it may result in a dismissal of the complaint. However, the School may proceed with an investigation as the circumstances may allow.

Investigation

Once the School receives a grievance, complaint, or report alleging discrimination, harassment, or retaliation, or becomes aware of possible discriminatory conduct, the School will conduct a prompt, thorough, and impartial investigation to determine whether unlawful conduct occurred. Throughout the investigation process, the School will undertake an objective evaluation of all relevant evidence, treat the parties equitably, ensure that investigators and decisionmakers are free from conflicts of interest or bias, and work through the grievance process with reasonably prompt time frames. The Coordinator will conduct the investigation unless the Coordinator or the School determines that an outside, third-party should conduct the investigation. If necessary, the School will take immediate, interim action to provide Supportive Measures and prevent further potential discrimination, harassment, or retaliation during the pending investigation. The Complainant will be notified of his or her options to avoid contact with the Respondent, such as changing a class or prohibiting the alleged harasser from having any contact with the alleged victim pending the result of the School's investigation. The School will minimize any burden on the Complainant when taking interim measures to protect the Complainant.

The investigation may include gathering physical, electronic, and other evidence, and interviewing witnesses and parties. Individuals who are evasive, obstructionist, or who do not fully cooperate in the investigative process may be subject to disciplinary action, up to and including expulsion or termination. The parties will receive advance notice before they are interviewed for investigative purposes.

The parties may elect to have an advisor of their choice for purposes of the investigation and grievance proceedings. Advisors are welcome to attend meetings, interviews, and any grievance proceedings, but are not permitted to speak in place of the parties. The role of the advisor is narrow in scope: the advisor may attend any interview or meeting connected with the grievance process that the party whom they are advising is invited to attend, but the advisor may not actively participate or intervene in interviews or meetings and may not serve as a proxy for the party. In addition, while advisors may provide guidance and assistance throughout the investigation and grievance process, all written submissions must be authored by the student or employee.

The School will investigate all complaints received, even if an outside entity or law enforcement agency is also investigating a complaint involving the same facts and allegations. The School will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this Grievance Procedure. If the allegation(s) involve possible criminal conduct, the Coordinator will notify the complainant of his or her right to file a criminal complaint. No School employee shall dissuade the complainant from filing a criminal complaint either during or after the School's investigation.

The School will attempt to complete its investigation within thirty (30) school days after receiving a complaint or report, unless extenuating circumstances exist. Extenuating circumstances may include the unavailability of witnesses, witnesses refusal to cooperate, additional time needed because of the complexity of the investigation, the need for outside experts to evaluate the evidence (such as forensic evidence), or multiple complainants or victims. Extenuating circumstances do not include summer vacation, and if a designated compliance Coordinator or investigator is unavailable, another coordinator or trained employee will be designated to conduct the investigation. If extenuating circumstances exist, the timeframe to complete the investigation will be extended as needed, keeping in mind the goal of prompt and effective resolution. Periodic status updates will be given to the parties, if necessary.

Informal Resolution

When a formal complaint has been filed, at any time during the investigation and grievance proceeding and prior to a determination regarding responsibility, the parties may agree to resolve the matter informally. The Coordinator or the School may facilitate an informal resolution process, subject to obtaining the parties'

voluntary, written consent. In addition, although the parties may not contact one another for purposes of direct mediation, they may communicate through their advisors or through the Coordinator for purposes of reaching an informal resolution.

Informal resolution is not permitted in a situation where an employee is alleged to have sexually harassed a student or where an employee or student is alleged to have sexually assaulted another person.

If the parties consent to an informal resolution process, it will be facilitated through the Coordinator or an outside, third-party, free from conflicts of interest and bias. Each party will receive written notice prior to the informal proceeding, disclosing: (A) the allegations; and (B) the requirements of the informal resolution process. Informal resolution may involve pursuit of individual or community remedies, supported direct conversations, mediation, indirect action by the facilitator of the informal process, or other forms of resolution tailored to the needs of the parties. Informal resolution may also be used to reach agreed upon disciplinary sanctions.

If a resolution satisfactory to the parties is reached, through an informal resolution proceeding or otherwise, the Coordinator will prepare a written document indicating the resolution of the matter, to be signed by both parties, and the investigation and/or proceeding will then be closed. The written document indicating resolution will be maintained by the School as a confidential record.

Preliminary Review Prior to Investigative Report

Prior to completion of the investigative report, the School will send to each party and the party's advisor, if any, all evidence subject to inspection and review in an electronic format or a hard copy for review. The parties will have ten (10) calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report.

Investigative Report

The designated compliance Coordinator (or designated investigator) will complete an Investigative Report, which will fairly summarize all relevant evidence gathered during the investigation. If someone other than the designated compliance

Coordinator conducted the investigation, the compliance Coordinator will review, approve, and sign the Investigative Report.

The Report will be sent to each party and the party's advisors, if any, for the party's review and written response. The parties will also be entitled to submit written, relevant questions that the party wants asked of any party or witness prior to any determination regarding responsibility, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The response to the Investigative Report and written questions, if any, must be sent to the Coordinator or designated investigator within ten (10) calendar days of the party's receipt of the Investigative Report. The compliance Coordinator (or designated investigator) will have discretion on which additional information to provide and to determine which questions may be relevant and appropriate.

The School will maintain relevant evidence obtained during the investigation, including the Investigative Report, and any witness statements, interview summaries, and any transcripts or audio recordings pertaining to the investigation as required by any applicable law.

Determination Regarding Responsibility

The School will utilize a "preponderance of the evidence" standard when determining whether any violation of this Policy occurred. The decision-maker, who will not be the same person as the Coordinator or the investigator, will issue a written determination regarding responsibility (the "Determination"). The written Determination will include:

- (A) identification of the allegations potentially constituting a violation of this Policy;
- (B) a description of the procedural steps taken from the receipt of the allegations or complaint throughout the entire investigation and grievance process;
- (C) findings of fact supporting the Determination;
- (D) conclusions regarding the application of the School's Policy or code of conduct;
- (E) a statement of and rationale for the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions to be imposed, and whether any remedies designed to

restore or preserve equal access to the School's education program or activity will be provided; and

- (F) the procedures and permissible bases for appeal.

The Determination will be provided to the parties at the same time. The Determination becomes final the date on which an appeal would no longer be considered timely, or upon the conclusion of an appeal with the issuance of the Decision on Appeal.

The Coordinator will be responsible for implementing any remedies set forth in the Determination.

Appeals

Both parties are entitled to appeal the Determination, including any sanctions, or the School's dismissal of a formal complaint or any allegation therein. Appeals must be made within ten (10) School days after the party receives the Determination or the dismissal.

The grounds for appeal are as follows:

- (A) Procedural irregularity that affected the outcome of the matter (i.e., a failure to follow the School's own procedures);
- (B) New evidence that was not reasonably available at the time the Determination regarding responsibility or dismissal was made that would affect the outcome of the matter; or
- (C) The Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against an individual party, or for or against complainants or respondents in general, that affected the outcome of the matter.

The submission of an appeal stays any sanctions for the pendency of the appeal. Supportive measures, including remote learning opportunities, remain available during the pendency of the appeal. If a party appeals a Determination, the School will notify the other party in writing of the appeal as soon as is practicable; however, the time for appeal shall be offered equitably to all parties and shall not be extended for any party solely because the other party filed an appeal. The

non-appealing party may submit a written response to the appeal within five (5) school days after receiving notice of the appeal. Appeals will be decided by the Appeals Team, who will be free of conflicts of interest and bias, and who have not and will not serve as investigator, Coordinator, or decision-maker in the same matter.

The Appeals Team will review the appeal, any written response thereto, all evidence gathered during the investigation, investigative documentation, and the Determination, and will conduct additional investigation, if necessary, at the Appeals Team's sole discretion. The Appeals Team will then issue a written Decision on Appeal within thirty (30) school days after receiving the appeal. The Decision on Appeal will describe the result of the appeal and the rationale for the result, and shall be sent to all parties at the same time. The Decision on Appeal is final. (If a member of the Appeals Team is the subject of the complaint or is involved in the investigation, a new member will be appointed.)

Sanctions and Remedies.

Sanctions. Sanctions are imposed against the wrongdoer/harasser in an effort to stop and/or correct his/her conduct, prevent any recurrence of misconduct, deter any future misconduct, and remedy the effects of the misconduct.

Sanctions may include, but are not limited to: any level of disciplinary action, such as a verbal warning, written warning, suspension, administrative leave, demotion, termination of employment, expulsion, suspension or dismissal from School, modification of schedule, reduction or elimination of financial or other benefits, and no-contact orders.

Remedies. Remedies are actions taken to overcome the effects of the misconduct. Remedies provided to the complainant are designed to restore or preserve that individual's educational or employment access and opportunities. Remedies may include the same individual services provided as Supportive Measures, or other, additional items. Other remedial measures may be taken to ensure learning and working environments that are free from misconduct, such as, but not limited to, training and counseling support services. Remedies will be prompt, age-appropriate, effective, tailored to the specific situation, and may include a change in the student's seating assignment or class, a change in an employee's work area, prohibiting the alleged harasser from having any contact with the alleged victim pending the result of the School's investigation, counseling, health, and mental health services, and other remedies, such as those listed below.

Remedies for an individual further include but are not limited to:

1. Providing an escort to ensure the complainant can move safely between classes and activities.
2. Ensuring the complainant and alleged harasser do not attend the same classes.
3. Providing academic support services, such as tutoring, if desired.
4. Arranging for the complainant to retake a course or withdraw from a class without penalty, including ensuring that any changes do not adversely affect the complainant's academic record.

The School may also provide Remedies for the School or broader student population, including, but not limited to:

1. Providing resources to all students or employees affected by sexual harassment or sexual violence so that they can access comprehensive victim services, and notifying students and employees of community counseling, health, mental health, and other services.
2. Providing additional training to the School's designated compliance coordinators and other employees who are involved in addressing, investigating, or resolving complaints of discrimination, harassment, and retaliation, to better respond to specific types of harassment and violence.
3. Informing students and employees of their options to notify law enforcement authorities, including school and local police, and the option to be assisted by School employees in notifying those authorities.
4. Creating measures of feedback from students, employees, and School officials to identify strategies for ensuring that students and employees:
 1. Know and understand the school's prohibition against discrimination, harassment, and retaliation.
 2. Recognize acts of discrimination, harassment (including acts of violence), and retaliation when they occur.
 3. Understand how to report any incidents of discrimination, and to whom they must be reported.
 4. Know the connection between alcohol and drug abuse and harassment or violence based on sex or other protected characteristics.

5. Feel comfortable that School officials will respond promptly and equitably to reports of discrimination, harassment (including violence), and retaliation.
5. Conducting periodic assessments of student or employee activities to ensure that the practices and behavior of students or employees do not violate the School's policies against anti-discrimination, anti-harassment, and anti-retaliation.
6. Conducting, in conjunction with students or employees, a "climate check" to assess the effectiveness of efforts to ensure that the School is free from discrimination, harassment (including violence), and retaliation, and using the resulting information to inform future proactive steps that will be taken by the School.

Confidentiality

The identity of the complainant will be kept confidential, to the extent that a fair and thorough investigation can be completed. The School will notify the complainant of the anti-retaliation provisions of applicable laws, and that the School will take steps to prevent retaliation and will take prompt and corrective responsive actions if retaliation occurs.

At the same time, the School will evaluate a confidentiality request in the context of its responsibility to provide a safe and nondiscriminatory environment for all students and employees. In some cases, the School may be required to report alleged misconduct or discrimination, such as sexual harassment involving sexual violence, to local law enforcement or other officials, and the School may not be able to maintain the complainant's confidentiality. The School will inform the complainant that it cannot ensure confidentiality, if applicable.

If a complainant requests confidentiality or asks that the complaint not be pursued, the School will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or the request not to pursue an investigation, as long as doing so does not prevent the School from responding effectively to the harassment and preventing harassment of other students. In some instances, the School may pursue an investigation with a complaint signed by the Coordinator. If a complainant or third party insists that his/her name or the complainant's name not be disclosed, the School will inform the complainant that its ability to respond may be limited. For example, the School would be unable to provide Supportive Measures without knowing the complainant's identity. Where a complainant desires Supportive Measures, the complainant's identity may be kept confidential unless disclosing the

complainant's identity is necessary to provide Supportive Measures. Where a complainant desires to initiate a grievance process, the complainant cannot remain anonymous or prevent the complainant's identity from being disclosed to the respondent. A respondent has the right to, and must be, notified of the complainant, complaint and details of the allegations, and the ensuing investigation in order to provide the respondent with an adequate opportunity to respond. Even if the School cannot take disciplinary action against the alleged harasser, the School will pursue other steps to limit the effects of the alleged harassment and prevent its recurrence, if warranted.

The duty of confidentiality has three exceptions: if disclosure is (1) permitted under FERPA, (2) required by law, or (3) necessary to carry out the purposes of this Policy and the grievance process.

Privacy of Records

Any complaint, the allegations involving misconduct, the evidence gathered during the investigation, the witnesses interviewed, and any records, reports, or documents generated in the process of the investigation and grievance proceeding, including at the appeals levels, are all confidential, not open to the public, and must be maintained as confidential records by the School. Any breach of confidentiality is grounds for disciplinary action.

Conflict of Interest or Bias

If at any point during the investigation or grievance process a party has concern about a conflict of interest or bias for or against any complainant or respondent, the party should report such concern to Shannon Statton. The School wants to ensure an impartial investigation and grievance process for all employees and students, and that all Coordinators, investigators, and decision-makers in the investigative and grievance process, including the Appeals Team, are unbiased and free from conflicts of interest. If any Coordinator, investigator, or decision-maker identifies his/her own conflict of interest or bias, they must immediately self-report the concern to Shannon Statton. Where concerns regarding conflicts or bias are validated, the School will remove the conflicted or biased individual from the matter, and appoint someone else.

Training

The School will ensure that all employees, including but not limited to: officials, administrators, teachers, substitute teachers, counselors, coaches, assistant

coaches, paraprofessionals, aides, bus drivers, school volunteers, and school law enforcement officers, are adequately trained so they understand and know how to identify acts of discrimination, harassment, and retaliation, and how to report it to appropriate School officials or employees. This training will include, at a minimum, the following areas:

1. The current legal standards and compliance requirements of anti-discrimination, anti-harassment, and anti-retaliation federal, state, and local laws and regulations, including the definitions of and several specific examples of discrimination, harassment (including acts of violence because of a person's sex or other protected characteristics), and retaliation.
2. The School's current anti-discrimination, anti-harassment, and anti-retaliation notices, policies, grievance procedure, and discrimination complaint form, including the specific steps and timeframes of the investigative procedures, and the School's disciplinary procedures.
3. Identification of the School's designated compliance coordinators and their job responsibilities.
4. Specific examples and information regarding how to report complaints or observations of discrimination, harassment, or retaliation to appropriate School officials or employees. In addition, the School will emphasize that employees, students, third parties, and others, should not be deterred from filing a complaint or reporting discrimination. For instance, if a student is the victim of sexual violence, a form of sexual harassment, but the student is concerned that alcohol or drugs were involved, school staff should inform the student that the School's primary concern is student safety that any other rules violations will be addressed separately from the sexual violence allegation and that the use of alcohol or drugs never makes the victim at fault for sexual violence.
5. Potential consequences for violating the School's anti-discrimination, anti-harassment, and antiretaliation policies, including discipline.
6. Potential remedies, including immediate, interim remedies, to eliminate the discrimination, harassment, and retaliation, prevent its recurrence and remedy its effects.
7. A description of victim resources including comprehensive victim services, to address acts of discrimination and harassment, including acts of

violence because of a person's sex or other protected characteristics, and a list of those resources for distribution to trainees.

In addition, the School shall ensure that employees designated to address or investigate reports of discrimination, harassment, and retaliation, or carry out responsibilities under this Policy and Grievance Procedure, including designated compliance Coordinators, investigators, decision-makers, the Appeals Team, and any employee facilitating an informal resolution process, will receive additional specific training on the definitions of misconduct covered by this Policy and Grievance Procedure, the scope of the School's education programs and activities, how to promptly and effectively investigate, conduct a grievance process, and respond to complaints and reports of discrimination, how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias, how to make decisions on issues of relevance regarding questions and evidence, how to fairly summarize relevant evidence, and to know the School's Grievance Procedures and the applicable confidentiality requirements.

Preventive Measures

The School will publish and widely distribute on an ongoing basis a notice of nondiscrimination in electronic and printed formats, including prominently displaying the notice on the School's website and posting the notice at each building in the School. The School also will designate an employee to coordinate compliance with anti-discrimination laws and widely publish and disseminate this grievance procedure, including prominently posting it on the School's website, at each building in the School, reprinting it in School publications, such as handbooks, and sending it electronically to members of the school community. The School will provide training to employees and students at the beginning of each academic year in the areas identified in the Training section, above.

The School also may distribute specific harassment and violence materials including a summary of the School's anti-discrimination, anti-harassment, and anti-retaliation policy and grievance procedure, and a list of victim resources, during events such as school assemblies and back to school nights, if recent incidents or allegations warrant additional education to the school community.
